## Past Performance

DTX Digital Transformation leadership has over 30 years of experience in Facilities Management, Space Planning, Audit & Advisory, Project Management, Information Technology, and Cybersecurity. We have provided professional services and thought leadership to C-suite executives of organizations ranging in sizes from emerging businesses to Fortune 10 companies. We have demonstrated success in risk management, problem solving/decision making, creating collaborative work environments, and steering multimillion-dollar projects towards successful paths. In addition to the private sector and not for profit organization we had an opportunity to work at the following agencies:

- Department of Labor, Washington DC
- Smithsonian Institution, Washington DC
- Department of Defense - Department of Health Agency
- Office of the Comptroller of Currency (OCC), Washington DC
- National Endowment for Arts (NEA), Washington DC
- Court Services and Offender Supervision Agency (CSOSA), Washington DC
- District of Columbia Courts (DC Courts), Washington DC
- District of Columbia Department of Health Care Finance (DHCF)

DTX has held the following Prime and subcontracts at the Federal Agencies:
